KEEPING HOUSE.—Mr. and Mrs. Chas. Herring are now keeping house in their home on Main street in Clarksville.

BOUND OUT.—The little colored boys, Johnnie Harris and Len Staten, who some time ago broke into Morrisett Brothers' store, were tried in Halifax court this week, found guilty and the sentence of the court was that they shall be bound out until they are sixteen.

Some Fresh Painting.

It is observed that recently there has been considerable fresh painting in town.

Mr. W. F. Butterworth has had his dwelling and yard fence painted. Dr. A. C. Livermon has just finished painting his house, and the Baptist parsonage and Baptist church have just been painted.

Hanged With a Trace Chain.

Tuesday evening a colored boy named Lester Macklin hanged himself with a trace chain. When found he was not dead. Medical aid was summoned and at last hearing he had not been able to speak. While others were at supper the boy was missing and when found in an out house he was swinging clear of the ground hung by the head. It is thought that he did it in a prank with himself.

Spring Hill School Closed.

Miss Bessie Hancock, of Scotland Neck, N. C., closed a very successful session of nine months' school at Spring Hill, on the 28th of May.

After school Thursday the children enjoyed a delightful evening in Mr. E. A. Lilley's grove.

Friday the school and parents spent a delightful day at a picnic down at Hill's Mill Pond.

It will long be remembered as a day of pleasure to all that were present and especially the children.

Opening of the Mite Boxes.

The Florine McEachern Mite Box Brigade and Baby Roll met at the Methodist parsonage Friday afternoon, for the Mite Box opening. Despite the inclement weather a goodly number of the children were present, and after partaking of delightful refreshments the Boxes were opened and \$7.10 was realized. Miss Ruby Lowe having the largest amount of money received the prize, which was presented by the 3rd vice-president, Mrs. Chas. A. Jones.

All seemed to enjoy the evening. This speaks well of the organization as it was just begun in March.

Death of Miss Annie Cobb.

Miss Annie Cobb died in Richmond Saturday, May 30th, and her remains were brought to Scotland Neck Sunday and were taken to the old family burying ground for interment, Rev. J. E. Hutson conducting the services. A number of persons went from Scotland Neck in company with those who came from Richmond with the body.

Miss Cobb was formerly a resident of Scotland Neck, and had many friends here.

Among those who came with the remains were her brother, Rev. S. J. Cobb, of Craigsville, Va., and another brother from Roanoke Rapids. They have the sympathy of friends here and elsewhere in their bereavement.

Installation Services.

Only next Sunday Rev. R. A. McFarland, the new pastor of the Baptist church of this place, will enter upon his pastorate. It will be a day of special interest to the Baptists of the town and community. Neat programmes printed in THE COMMON-WEALTH office have been sent to the members of the church, as follows:

Improvements at the Methodist Church.

The Methodist church has been remodeled and greatly improved and enlarged. Annexes have been added to the sides with sliding glass doors between them and the audience room, new and attractive windows have been put in and new and comfortable seats have been placed in the church. Also the church has been well painted without and within, and the improvements are marked indeed.

Birthday Party.

The Ladies Aid Society of the M. E. church extend a cordial invitation to the public to be present at a birthday party at the home of Mrs. E. A. Lafrage, Friday evening June 5th from 8 to 11 o'clock. Let everybody come and bring as many cents as you are years old.

Closed His Work.

Rev. J. E. Hutson, of Richmond, who has supplied the Baptist pulpit here for three months, preached his closing sermon Sunday night and has returned to Richmond. He was a favorite with the people here before, and his good work in his clear and earnest preaching has doubly endeared him to the congregations who worship in the Baptist church. He is a most estimable christian minister and one of the most logical preachers in all the land. As an evangelist he has had success, more than thirty thousand persons having professed conversion under his preaching.

Scotland Neck Vs Enfield.

On last Thursday a most exciting game of baseball was played here between Scotland Neck and Enfield, which resulted in a score of 5 to 1 in favor of Scotland Neck.

At first it looked like Scotland Neck was going to be beaten, for at the sixth inning the score was 1 to 0 in favor of Enfield.

Excellent work was done by both Scotland Neck and Enfield pitchers. Cuthrell, of Enfield, struck out 13 and Holmes, of Scotland Neck, struck out 12.

Batteries, for Enfield, Cuthrell and Barkley; for Scotland Neck, Holmes, Leggett and Josey.

Hits off of Cuthrell, 9; Holmes, 2.

Rare Opportunity.

Mr. J. H. Faber, of Norfolk, Va., opened his art studio in the Madry building on Main street Monday morning, and will close Saturday night. This is a rare opportunity for the people of Scotland Neck and community to secure fine work in photography, equal to that which one gets in a city.

Mr. Faber has been the leading photographer in Norfolk for many years, and his presence and work in Scotland Neck for the week are quite a favor to our people. Mr. Faber hopes that as many as can do so will come before the last day so as to avoid the rush at the close of his work Saturday.

Good work can be done in cloudy weather as well as on clear days. The weather makes no difference.

Presbyterian Meeting Closed.

(Reported to The Commonwealth.) The series of meetings commenced in the Methodist church by Rev. W. D. Morton, D. D., of Rocky Mount, and continued by Rev. Wm. Black, D. D., of Charlotte, closed last Sabbath evening.

Mrs. Morton and Black are ministers of marked ability, and present the grand theme of redemption in plenitude of power.

Mr. Burr, Dr. Black's musical director, is a skillful musician and a consecrated Christian. Dr. Black is also a trained musician, and his singing was enjoyed not less than his preaching. The able assistance rendered in the music by friends and members of all the Scotland Neck churches was very highly appreciated by the musical director, local pastor, visiting ministers and members of the Presbyterian church.

Quite a large number professed their faith in our Saviour, there was one addition to the Presbyterian church, and it is earnestly hoped there may be more additions to all our churches as a result of this special work.

Card of Thanks.

I take this method of thanking the people of Scotland Neck, and others, for their kindness to us in their sympathy and attention in the sickness and death of our sister.

S. J. COBB, Craigsville, Va.

Methodists to Worship With Baptists Sunday Night.

Believing it to be a christian duty the Methodist Church owes to the new pastor of the Baptist Church of this place, Rev. R. A. McFarland, who is to begin his Master's work among us next Sunday, and in token of our appreciation of his coming to labor among us, there will be no services Sunday night at the Methodist church, and I earnestly appeal to our congregation to go to the Baptist church and worship there.

CHAS. A. JONES, Pastor Methodist Church.

Death of Little Alton Glenn Allsbrook.

(Reported to The Commonwealth.) Born February 12, 1907, and died May 28, 1908.

On Thursday of last week about seven o'clock death entered the home of Mr. and Mrs. W. C. Allsbrook and robbed them of their darling baby.

Death was a great relief to him after intense suffering for nine days, but was a sudden shock to the family, for he was idolized by them all. But grieve not, dear ones, for he is at rest.

Nothing was too good for him, no trouble to great; why then was this life required? Why could it not have been allowed us a few more years? Oh, why should this heavy blow fall upon such a fond, loving father and mother?

Only a few more years then "we'll understand," for in the light of eternity's revealing these things will be explained. It is not ours to question divine providence. The Lord gave and the Lord taketh away. Baby's left the cradle for the golden shore.

O'er the silvery waters he has flown; Gone to join the angels, peaceful evermore, Empty is the cradle, baby's gone.

A FRIEND.

Halifax Happenings.

(Cor. to The Commonwealth.) Halifax, N. C., June 2, '08.

Masters Paul Fenner and Henry B. Furgerson, Jr. have come home for the holidays. They have been at Oxford.

Miss Annie Fenner is home from Greensboro.

Mr. Will E. Fenner, of Rocky Mount, was here Sunday to see his father.

Miss Spinks, of Albemarle, N. C., is visiting Misses Urtie and Helen Daniel.

Miss Nell Nelson was called to Mount Olive last Saturday on account of the illness of Mrs. E. N. Ricks.

Mrs. H. W. Gowen received an urgent telegram last week calling her to Cincinnati, Ohio to the bedside of her husband, who had fever.

A recent communication states that his condition is better and he will be brought home as early as advisable.

Mr. J. H. Fenner who was reported last week as being very sick, has been getting along fairly well, but at the present writing he is suffering very much, and there is some anxiety felt. Miss Miller, an excellent trained nurse, from Richmond, arrived here Tuesday to attend him.

Mrs. J. W. Hays (formerly Miss Beulah Grady) of Elm City, lost by death her little daughter, Jennie, last Tuesday, age about two years.

Her sister, Mrs. E. L. Travis, of this place, had been with her several days. Mr. F. L. Travis and son, Edward, with Mrs. L. G. Grady went down on Wednesday to be present at the interment.

Mrs. Hays and her children, Master James, Jr. and Miss Mary Bell, are now spending some days with Mrs. Travis.

Rev. J. W. Wood, of the Presbyterian church at Weldon, filled an appointment here on Sunday morning in the Methodist church.

Mr. James Fitzpatrick, of Tillery, who has been at Hotel Roanoke for several weeks receiving medical attention by Dr. H. B. Furgerson, is some better this week.

We hear very favorable comments on every hand, and there seems to be much satisfaction among our people because of the large majority for State prohibition.

Crops are looking well, the "stand" is good, weather very much in our favor, and the farmers are anticipating a good crop year.

W. F. COPPEGE.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. CHENEY & CO., Toledo, Ohio.
